

2008 Ford Mustang V6 Premium

COMPETITIVE PRODUCT FEATURES

Affordable Power and Performance

5-speed automatic transmission

– An option which provides torque on demand for quick acceleration and excellent fuel economy for highway driving

✓ Tiburon and Eclipse offer only a 4-speed automatic transmission

Rear-wheel drive

– Not affected by torque steer, which is the tendency for the front wheels to pull left or right under hard acceleration

✓ Tiburon and Eclipse are front-wheel drive

Solid rear-axle design

– Traditionally more durable and robust, to hold up to the high torque output of performance vehicles

✓ Tiburon and Eclipse use halfshafts

Mustang offers a number of different packages and features that let customers make their Mustang truly one of a kind. Tiburon and Eclipse do not offer as many customization options as Mustang.

NHTSA crash test ratings⁽¹⁾

– Mustang received a five-star crash test rating for the driver and front passenger in NHTSA (National Highway Traffic Safety Administration) frontal crash testing. Five stars is the highest possible rating

Classic Mustang Styling

MyColor™ color-configurable instrument cluster

– Lets drivers customize their vehicles by changing their instrument cluster backlight color to any one of 125 different hues

✓ Not available on Tiburon or Eclipse

Interior upgrade packages

– Allow Mustang customers to further individualize their vehicles to meet their lifestyles

✓ Not available on Tiburon or Eclipse

Exterior Sport Appearance Package/ Pony Package

– Adds a high-performance look to the V6 Mustang

✓ Exterior packages are not available on Tiburon or Eclipse

Premier Interior Trim with Color Accent Package

– Allows customers to further customize their Mustang to truly make it one of a kind by offering a choice of five different interior environments

✓ Not available on Tiburon or Eclipse

18-inch cast aluminum wheels with low-profile tires

– Add an aggressive look to the vehicle's stance by making the wheels and tires look more substantial

✓ Not available on Tiburon or Eclipse

Added Safety and Security

All-Speed Traction Control

– Helps the vehicle maintain traction under slippery conditions

✓ Not available on Tiburon

Active anti-theft system

– Includes inclination and intrusion alarms to help prevent vehicle theft

✓ Not available on Tiburon or Eclipse

Tire Pressure Monitoring System (TPMS)

– Monitors air pressure in each tire and alerts the driver to low tire pressure conditions

✓ Not available on Eclipse

Unexpected Comfort, High-Performance Amenities

Shaker 500 audio system

– Matches the performance of the vehicle by producing 500 watts of peak power

✓ Tiburon only offers a 440-watt audio system

Navigation System

– Helps prevent drivers from getting lost by providing route assistance

✓ Not available on Tiburon or Eclipse

Ambient interior lighting

– Lights up the front and rear footwells and cup holders with a soft glow in one of seven different hues

✓ Not available on Tiburon or Eclipse

Performance-Car Architecture

- Rear-wheel drive
- Solid rear axle
- 3-link rear suspension with Panhard rod
- Solid chassis

Born to Perform

- Powerful V6 engine
- 5-speed automatic transmission
- Four-wheel disc brakes
- Balanced weight distribution
