

2008 Ford Sport Trac Limited 4x4

COMPETITIVE PRODUCT FEATURES

Quality You Can Depend On

Solid frame

- Stiff, fully boxed frame is completely immersed in an electrocoat primer for optimum corrosion protection
- ✓ The Tacoma frame is not electrocoat primer protected and is boxed only in the area of the front sub-frame

Roadside Assistance

- New Vehicle Limited Warranty includes 24-hours-per-day, 7-days-per-week Roadside Assistance that is in effect for 5 years/60,000 miles at no additional charge
- ✓ Ridgeline Roadside Assistance is available only at extra cost and Tacoma does not offer Roadside Assistance

Power that Generates Excitement

Available V8 power

- Sport Trac offers an available 4.6L 3-valve V8 engine with a 6-speed automatic transmission for those who need additional hauling or towing power
- ✓ V8 engine not available on Ridgeline or Tacoma

More gears

- 5-speed automatic transmission is standard with base engine. The optional V8 engine is mated to a 6-speed automatic transmission. Both transmissions make optimum use of the available engine power to help maximize engine economy
- ✓ 6-speed automatic transmission not available on Ridgeline or Tacoma

Independent rear suspension

- Independent Short- and Long-Arm (SLA) trailing blade rear suspension helps provide a remarkably smooth ride and high load-carrying capacity
- ✓ Not available on Tacoma

Payload rating

- The Sport Trac featured here can handle a maximum payload of up to 1400 lbs. That's more than Tacoma can handle

Towing capacity

- Sport Trac 4x4, properly equipped, has a maximum towing capacity of 7000 lbs.
- ✓ Ridgeline can tow a maximum of only 5000 lbs. while Tacoma has a maximum towing capacity of 6500 lbs.

The Versatility to Do More

Available class-exclusive⁽¹⁾ electrically heated windshield

- Utilizes micro-thin tungsten heating elements in the glass to clear the windshield in half the time of a typical forced-air defroster
- ✓ Not available on Ridgeline or Tacoma

Keyless entry keypad

- For added convenience when entering the vehicle
- ✓ Not available on Ridgeline or Tacoma

Cargo box/storage

- Molded, dent-proof, scratch-resistant composite inner liner includes 3 below-deck gear bins with drain plugs and weather-resistant lids for added storage convenience
- ✓ Tacoma does not offer any below-deck added storage capacity

Available hard tonneau cover

- Factory-installed locking hard tonneau cover is hinged in the middle to make accessing the cargo area extremely easy yet keeping the cargo secure under lock and key
- ✓ Not available on Tacoma

Available cargo bed extender

- Factory-installed cargo cage bed extender adds 6 cubic feet of storage space and about 20 inches in length to the cargo area. It can also be used as a bed divider to keep smaller cargo from shifting

- ✓ Dealer-installed option on Ridgeline and Tacoma

Standard power sliding rear window

- Provides added cab ventilation and convenient access to the forward portion of the cargo box
- ✓ Manual sliding rear window available on Tacoma

Available Navigation System

- Voice-activated Navigation System features a 6.5-inch center stack mounted screen that can be operated by buttons, touch screen or voice controls
- ✓ Available on Ridgeline's high-series RTL model only. Not available on Tacoma

Auxiliary audio input jack

- Standard AM/FM stereo/single-disc CD player with MP3 capability and an auxiliary audio input jack for personal music player devices
- ✓ Available on Ridgeline's high-series RTL model but requires navigation system. Auxiliary audio input jack not available on Tacoma

Ford SYNC^{TM(2)}

- In-car, voice-activated, fully integrated entertainment and communications system that allows control of Bluetooth^{®(3)} wireless technology enabled mobile phones and digital media devices. SYNC also provides a USB connector to facilitate connection of other digital media
- ✓ USB and Bluetooth capability not available on Ridgeline or Tacoma

Available power adjustable brake and accelerator pedals

- Allow drivers of varying heights to more easily find a comfortable driving position
- ✓ Not available on Ridgeline or Tacoma

Impressive Safety and Security

AdvanceTrac[®] with RSC[®] (Roll Stability ControlTM)

- AdvanceTrac with class-exclusive⁽¹⁾ RSC (Roll Stability Control) utilizes a unique vehicle roll motion sensor to help enhance vehicle control and keep the tires on the ground
- ✓ Ridgeline comes standard with Vehicle Stability Assist (VSA) and Tacoma offers optional Vehicle Stability Control (VSC). Neither of these electronic stability control systems incorporate a dedicated vehicle roll motion sensor

Safety Canopy[®]

- Standard Safety Canopy with side curtain airbags and rollover protection helps protect outboard passengers in the first and second rows of seats
- ✓ Optional on Tacoma

Standard front-seat side-impact airbags

- Provide added thorax protection for the driver and front passenger
- ✓ Tacoma offers available seat-mounted airbags

NHTSA⁽⁴⁾ safety rating

- 2008 Sport Trac has again received a five-star frontal crash test rating for the driver and right front passenger from the National Highway Traffic Safety Administration (NHTSA). Sport Trac has been designed to meet all U.S. government frontal and side-impact crash test requirements through the 2010 model year

Power

- Available 4.6L 3-valve V8 engine
- Available 6-speed automatic transmission
- Up to 1420 lbs. maximum payload capacity
- Maximum towing capacity up to 7160 lbs. with V8

Strength

- Fully boxed frame
- Large, four-wheel disc brakes with Anti-lock Braking System (ABS)
- Independent front and rear suspensions
- AdvanceTrac[®] with class-exclusive⁽¹⁾ RSC[®] (Roll Stability ControlTM)

Versatility

- Composite cargo box
- Control Trac[®] four-wheel-drive system
- Washable in-car flooring
- Roof rails
- Power rear window
- Ford SYNC^{TM(2)} entertainment and communications system
- Voice-activated Navigation System

- (1) Class is sport utility trucks.
- (2) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so, and use extreme caution.
- (3) The Bluetooth word mark and logos are trademarks of the Bluetooth, SIG, Inc.
- (4) Star ratings are part of the U.S. Department of Transportation's safecar.gov program (www.safecar.gov).
