

# 2008 Ford Sport Trac XLT 4x2

## COMPETITIVE PRODUCT FEATURES

### Quality You Can Depend On

#### Solid frame

- Stiff, fully boxed frame is completely immersed in an electrocoat primer for optimum corrosion protection
- ✓ Colorado's and Frontier's fully boxed frames are not electrocoat primer protected and are subject to premature rust and corrosion

#### Roadside Assistance

- New Vehicle Limited Warranty includes 24-hours-per-day, 7-days-per-week Roadside Assistance that is in effect for 5 years/60,000 miles at no additional charge
- ✓ Frontier Roadside Assistance is only available at extra cost

### Power that Generates Excitement

#### More standard horsepower

- The standard 4.0L engine produces 210 horsepower and 254 lb.-ft. of torque
- ✓ The standard Colorado 2.9L engine produces 25 less horsepower and 64 lb.-ft. less torque. Even the optional 3.7L engine produces 12 lb.-ft. less torque than the standard Sport Trac engine

#### Available V8 power

- Available 4.6L 3-valve V8 engine with a 6-speed automatic transmission for those who need additional hauling or towing power
- ✓ Neither Colorado nor Frontier offers a V8 engine

#### More gears

- 5-speed automatic transmission is standard with base engine. The optional V8 engine is mated to a 6-speed automatic transmission. Both transmissions make optimum use of the available engine power to help maximize engine economy
- ✓ Colorado offers only a 4-speed automatic transmission and Frontier offers only a 5-speed automatic transmission

#### Independent rear suspension

- Independent Short- and Long-Arm (SLA) trailing blade rear suspension helps provide a remarkably smooth ride and high load-carrying capacity
- ✓ Not available on Colorado or Frontier

#### Payload rating

- Sport Trac 4x2 properly equipped, has a maximum payload capacity of 1400 lbs. — more than Colorado

### The Versatility to Do More

#### Available class-exclusive<sup>(1)</sup> electrically heated windshield

- Utilizes micro-thin tungsten heating elements in the glass to clear the windshield in half the time of a typical forced-air defroster
- ✓ Not available on Colorado or Frontier

#### Available keyless entry keypad

- For added convenience when entering the vehicle
- ✓ Not available on Colorado. Dealer-installed accessory on Frontier

#### Cargo box/storage

- Molded, dent-proof, scratch-resistant composite inner liner includes 3 below-deck gear bins with drain plugs and weather-resistant lids for added storage convenience
- ✓ Steel cargo boxes on Colorado and Frontier can dent and be scratched and do not offer any below-deck added storage capacity

#### Available hard tonneau cover

- Molded, dent-proof, scratch-resistant composite inner liner includes 3 below-deck gear bins with drain plugs and weather-resistant lids for added storage convenience
- ✓ Colorado and Frontier offer an available soft, non-locking tonneau cover only as a dealer-installed accessory

#### Available cargo bed extender

- Factory-installed cargo cage bed extender adds 6 cubic feet of storage space and about 20 inches in length to the cargo area. It can also be used as a bed divider to keep smaller cargo from shifting
- ✓ Dealer-installed option on Colorado and Frontier

#### Standard power sliding rear window

- Provides added cab ventilation and convenient access to the forward portion of the cargo box
- ✓ Not available on Colorado or Frontier

#### Available Navigation System

- Voice-activated Navigation System features a 6.5-inch center stack mounted screen that can be operated by buttons, touch screen or voice controls
- ✓ Not available on Colorado or Frontier

#### Auxiliary audio input jack

- Standard AM/FM stereo/single-disc CD player with MP3 capability and an auxiliary audio input jack for personal music player devices
- ✓ Auxiliary audio input jack not available on Colorado. Optional on Frontier with LE Technology Package (TP)

#### Available Ford SYNC<sup>TM(2)</sup>

- In-car, voice-activated, fully integrated entertainment and communications system that allows control of Bluetooth<sup>®(3)</sup> wireless technology enabled mobile phones and digital media devices. SYNC also provides a USB connector to facilitate connection of other digital media
- ✓ Colorado has no comparable feature. Frontier provides Bluetooth-enabled mobile phone connectivity only

#### Available power adjustable brake and accelerator pedals

- Allow drivers of varying heights to more easily find a comfortable driving position
- ✓ Not available on Colorado or Frontier

### Impressive Safety and Security

#### AdvanceTrac<sup>®</sup> with RSC<sup>®</sup> (Roll Stability Control<sup>TM</sup>)

- AdvanceTrac with class-exclusive<sup>(1)</sup> RSC (Roll Stability Control) utilizes a unique vehicle roll motion sensor to help enhance vehicle control and keep the tires on the ground
- ✓ Colorado does not offer any type of electronic stability control feature. Frontier offers optional Vehicle Dynamic Control (VDC), which does not incorporate a dedicated vehicle roll motion sensor

#### Safety Canopy<sup>\*</sup>

- Standard Safety Canopy with side curtain airbags and rollover protection helps protect onboard passengers in the first and second rows of seats
- ✓ Optional on Colorado and Frontier

#### Standard front-seat side-impact airbags

- Provide added thorax protection for the driver and front passenger
- ✓ Not available on Colorado. Optional on Frontier as part of its LE Moonroof and Side-airbags Package (MA)

#### Large four-wheel disc brakes

- With four-wheel Anti-lock Braking System (ABS) that measures 11.9 inches in diameter in the front and 11.8 inches in diameter in the rear
- ✓ Colorado's front disc/rear drum brakes and Frontier's four-wheel disc brakes are smaller in diameter than Sport Trac's

#### NHTSA<sup>(4)</sup> safety rating

- 2008 Sport Trac has again received a five-star frontal crash test rating for the driver and right front passenger from the National Highway Traffic Safety Administration (NHTSA). Sport Trac has been designed to meet all U.S. government frontal and side-impact crash test requirements through the 2010 model year
- ✓ 2008 Frontier Crew Cab received only a four-star frontal crash test rating for the driver and right front passenger from the National Highway Traffic Safety Administration (NHTSA)

### Power

- Available 4.6L 3-valve V8 engine
- Available 6-speed automatic transmission
- Up to 1400 lbs. maximum payload capacity
- Maximum tow capacity up to 7160 lbs.

### Strength

- Fully boxed frame
- Large, four-wheel disc brakes with Anti-lock Braking System (ABS)
- Independent front and rear suspensions
- AdvanceTrac<sup>®</sup> with class-exclusive<sup>(1)</sup> RSC<sup>®</sup> (Roll Stability Control<sup>TM</sup>)

### Versatility

- Composite cargo box
- Control Trac<sup>®</sup> four-wheel-drive system
- Washable in-car flooring
- Roof rails
- Power rear window
- Ford SYNC<sup>TM(2)</sup> entertainment and communications system
- Voice-activated Navigation System

- (1) Class is sport utility trucks.
- (2) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so, and use extreme caution.
- (3) The Bluetooth word mark and logos are trademarks of the Bluetooth, SIG, Inc.
- (4) Star ratings are part of the U.S. Department of Transportation's safecar.gov program ([www.safercar.gov](http://www.safercar.gov)).
